DESCRIPTION OF NEED

FED is seeking applicants to provide mental health services for our educational program for students, grades K-12, who have a diagnosed severe emotional disturbance and are in need of therapeutic support to succeed at school. Goals:

- to provide individual mental health services for participants
- to offer skill building in a safe and secure setting
- to increase the stability of the student in the school system

- Staffing included would be 2 FTE Mental Health Professionals to serve up to 32 students with varied amounts of service time.

HOURS OF OPERATION

Service would be provided following the FED School Calendar and daily schedule. Extended School Year programming as per student IEP's would be contracted on an hourly rate agreed upon.

REQUIRED SERVICE COMPONENTS

Collaboration with families and other service providers

Agency shall encourage and support family involvement and will work cooperatively with all service providers involved.

Individual Case Plans

Individual case plans shall be developed collaboratively by CTSS staff, students and parents and reflect student needs/strengths as determined by the assessments and related collateral information. The case plans will be used to guide goals, objectives and assignments for the youth/family to maximize the youth's progress and success in the program. The provider would also be responsible for the development and implementation of transition plans.

IEP Billing

The agency should have experience with IEP billing for the named services.
